Office and Commercial Building

By investing in sustainable locations, we are expanding our portfolio of highquality properties. No short-term commitments are planned, only long-term acquisitions and in-house developments that we rent, manage and keep permanently.

We are looking for existing properties for sale in North Rhine-Westphalia and Lower Saxony:

- Office real estate, mixed-use office and commercial buildings, medical centers
- Middle and upper locations
- Ideally with very good to good local transport connections
- Short-term rental contracts are no obstacle to purchasing
- Investment volume up to € 8,000,000
